Sponsored by
Methodist Healthcare
Memphis, Tennessee
COURSE DESCRIPTION
This program is structured to benefit and enhance the participant’s knowledge through presentations on current medical problems. The conference is designed to provide primary care physicians information on recent developments in diagnostic and therapeutic techniques of patient management and will be presented by faculty members who are both academically and clinically oriented.

TARGET AUDIENCE
Family Medicine, Internal Medicine, Emergency Medicine physicians and other health care professionals who are involved in diagnosing and treating patients in a primary care setting.

EDUCATIONAL OBJECTIVES
Upon completion of this educational activity, participants should be able to:

- Explain the various pathogens that commonly cause community acquired pneumonia, recognize the high-risk patient, and develop a strategy for management
- Employ new approaches in the management of patients with HIV and AIDS
- Discuss techniques to identify stroke signs and types and available treatment modalities
- Describe guidelines and therapeutic approaches for acute exacerbation of chronic bronchitis
- Summarize therapeutic treatment options for new and emerging infectious diseases
- List diagnostic and therapeutic options for acute coronary syndromes
- Review guidelines for preventing, diagnosing and treating MRSA infections
- Describe the common causes of vertigo and review various therapeutic maneuvers for the treatment of benign positional vertigo
- Discuss prevention, complications and current concepts of therapy for patients with type 2 diabetes
- Determine best therapies for treatment of hypertension
- Discuss combination therapy in the treatment and control of type 2 diabetes
- Recognize the risk factors of obesity/metabolic syndrome and list the diagnostic criteria to identify and manage patients
- Recognize, diagnose and treat patients with infectious disease emergencies
- Implement important office-based preventive, diagnostic, and management procedures in endocrine care

COURSE DIRECTOR:
Kerry O. Cleveland, M.D., F.A.C.P., Associate Professor, Department of Medicine, Division of Infectious Diseases, University of Tennessee Health Science Center; Memphis, Tennessee

Robert W. Bradsher, Jr., M.D., F.A.C.P., Richard V. Ebert Professor of Medicine for Education, Vice-Chairman, Department of Internal Medicine, Professor of Medicine, Director, Division of Infectious Disease, University of Arkansas for Medical Sciences, Little Rock, Arkansas
Don Chomsky, M.D. F.A.C.C.,, Private Practice, The Heart Group, Nashville, Tennessee
Graham T. McMahon, M.D., MMSc, MRCPI, Assistant Professor of Medicine, Harvard Medical School, Division of Endocrinology, Diabetes and Hypertension, Brigham and Women's Hospital; Editor for CME, New England Journal of Medicine, Boston, Massachusetts
Steve Nelson, M.D., F.C.C.P., Dean, School of Medicine; John H. Seabury Professor of Medicine, Section of Pulmonary/Critical Care Medicine, Department of Medicine, Professor of Physiology, Department of Physiology, Louisiana State University Health Sciences Center; Clinical Professor of Pediatrics, Tulane University School of Medicine; Staff Physician, Section of Pulmonary/Critical Care Medicine, Ochsner Clinic and Hospital, New Orleans, Louisiana
Sidney A. Starkman, M.D., Professor of Emergency Medicine and Neurology; Director, Emergency Neurology Program, Co-Director UCLA Stroke Center; University of California, Los Angeles School of Medicine, Los Angeles, California
Frank Svec, M.D., PhD, Professor of Medicine, Chief, Section of Endocrinology, Louisiana State University, School of Medicine, New Orleans, Louisiana

FACULTY DISCLOSURE
As a provider accredited by ACCME, Methodist Healthcare must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of these relevant financial relationships will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

ACCREDITATION
Methodist Healthcare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT
Methodist Healthcare designates this educational activity for a maximum of 16 AMA PRA Category 1 Credits™.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending. The AAFP invites comments on any activity that has been approved for AAFP CME credit. Please forward your comments on the quality of this activity to cme@aafp.org.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

REGISTRATION FEE
The $575.00 registration fee for Advances in Medicine includes course materials, syllabus, continental breakfasts, and breaks. Written confirmation of your registration will be sent upon receipt of payment. Full refund will be given for cancellation notice in writing before October 13, 2008. Cancellations after that date will be assessed an administrative charge. No refunds will be given after October 20, 2008. Checks should be made payable to Methodist Healthcare. American Express, Discover, Master Card and Visa payment is accepted. For further information call 901-516-8933. Please note that Methodist Healthcare reserves the right to alter program titles, speakers, or sessions if circumstances so dictate or the right to cancel or reschedule this seminar due to an insufficient number of registrants.

Internet users may go to the hotel website www.fairmont.com, choose The Fairmont Orchid Hawaii and on the Reservation Screen enter METHOX to receive the group rate. (Make your reservations early as block of rooms is limited.)

CONFERENCE SITE

The Big Island of Hawaii, the island by which all other Hawaiian Islands are measured, is known as a place of fire and snow, rainforests and deserts, tropical coastlines, cattle ranches and small coastal towns. This island, lush with greenery, is the home of the two tallest peaks in the entire Pacific as well as Kilauea, the world’s most active volcano. The Island’s diversity is part of its charm, offering the tropics, the volcanoes, the Old West with sugar plantations and exotic birds in the green forests, waterfalls, rainbows and more. Orchids and ginger grow wild along the roadsides amid the fern and the ohia trees, and all around, the shores are washed by the world’s mightiest sea.

Along with the island’s natural beauty, there are two award winning Francis H. I’I Brown championship golf courses on the property with five additional championship golf courses available just minutes away. There are also ten tennis courts on property, with seven lighted courts for evening play. The Orchid offers complimentary snorkeling equipment for on-property use as well as other ocean activities such as scuba, sunset sails and deep sea fishing.
